- **includes some detail regarding what happened.**
 - *I was so excited I woted (wanted) to run. All the waye (way) there . . .*

 - **then** at nite (night) **when** my. Dad came home he sedi (said) was (what) is that. Noys (noise) . . .
- **provides some sense of closure.**

 - There is some evidence in this piece that the writer understands various uses of capital letters: frequently sentences begin with a capital letter, and the pronoun I is consistently capitalized. (However, with the exception of the pronoun I, there are no capital letters in the title.) Periods end some sentences but not all and are sometimes introduced in unconventional places.
